"Education is simply the soul of society as it passes from one generation to another."

Dear Parents/Guardians,

Greetings of Peace and Blessings

I am deeply humbled and honored to have been appointed to serve this esteemed institution as a Principal. I do know the school well. I worked here as a principal from April, 2006 to July, 2009 and Sept 2023 to 2024 and this . I am so happy to see all the developments of the school. I know that Xavierites are good in not only academic areas but also sports, leadership and organizing activities. I highly appreciate the school's great effort and commitment to provide all-round education to students. I believe that the growth and achievements of the school are the outcomes of the collective efforts and support of School Management, Principal, staff members, benefactors and parents.

My special thanks to the outgoing Principal Rev. Fr. Selvaraj Peter for his tireless efforts, dedication and sacrifices. As a new Principal to the school, I would like to take this opportunity to sincerely thank the School Management and entire staff for their professionalism and commitment in building a solid foundation of the school. I also thank the Parents for your support to the school and thank students for their diligent work and engagement in the school.

Apart from striking for advancement in academic achievement, the school also nurtures students with a good and proper attitude and values. The achievements of the school do not come easy. The drive for excellence permeates deeply the school culture. Teaching and learning are the core activities of a school. Great teachers are the most important ingredient to the success of our school. If we have great teachers in our classrooms, then we do not have to worry as much about the students. I always set students' benefits to be the first priority. The school will focus on promoting a high level of learning culture.

I emphasize that St. Xavier's stands for excellence with a promise to deliver the best of our abilities. We have a passionate and committed faculty and staff and believe in giving our best. We also value your cooperation, support and trust. I hope you are in agreement with the fact that the most important ingredient in the child's school journey is harmony, good relationships, faith and goodwill.

There is a reminder to achieve the goals and dreams to be turned into reality.

- Manners, Greetings, Courtesy words etc.
- Fluency in English.
- Academic Excellence.

I would like to request the parents to help their children and motivate them to participate in events such as Debates, Poem Recitation, Elocution and Sports etc. We need to work cooperatively to provide them with the requisite support, assistance, and resources.

I thank you sincerely for all your contribution and look forward to your continued support as we grow, improve and innovate together.

We look forward to forming a strong and lasting relationship with the Parents as together we support your children on their life - journey at St. Xavier's School.

I conclude with God's blessing on you and your dear ones.

With prayers, regards and wishes.
